

### Refined Sugar Tariff Boost Denied By U. S.

(Continued from Page One)

The sugar investigation is completed.

Supplies 7 Per Cent of Nation  
Refined sugar imported from Cuba is now about five per cent of the total consumption of all refined sugar and about seven per cent of the consumption of refined cane sugar in Continental United States.

"Any change in the rate of duty which might result from the present refined sugar investigation would not be sufficient either to increase or to decrease materially the imports of refined sugar from Cuba or the amount of labor employed in the domestic refineries.

The refining process is such that relatively little labor is required. The total number of wage earners in all of the domestic cane sugar refineries in 1929, when the production was about 5,100,000 tons, was less than 14,000.

"Even if all the refined sugar now imported from Cuba, which has not exceeded 332,000 tons in any year, were refined in the United States, the additional demand for labor would be relatively small, since refineries now operating have more than sufficient capacity to refine the entire consumption requirements of the country.

Use Same Methods  
The investigation has shown that practically all of the refined sugar produced in Cuba for shipment to the United States is refined by the same methods and processes as are used in domestic refineries.

"The few Cuban plants, which are experimenting with or actually using other methods have as yet not operated during a complete year, possess small capacities and produce chiefly for the Cuban market.

"There is no evidence that this situation is likely to change radically, at least in the immediate future.

"Most of the sugar consumed in the United States is refined in this country. Out of a total consumption of refined sugar in the United States in 1931 amounting to about 6,130,000 short tons, approximately 1,250,000 short tons were domestic beet sugar and the remainder, amounting to about 4,880,000 tons, was refined cane sugar from various sources.

"Of this amount about 4,400,000 tons were refined in continental United States by domestic refiners from both domestic and foreign raw sugar.

Imports Total 500,000 Tons  
The remaining amount of refined sugar consumed, amounting to less than 500,000 tons, came from the following free and dutiable sources in the refined form: Puerto Rico, \$3,000 tons; Hawaii, 10,000 tons; Philippines, 30,000 tons; Cuba, 352,000 tons (dutiable at preferential rate) and countries paying full duty on the refined product, 921 tons.

"The commission to date has secured the costs of production for all the domestic and Cuban refineries and has practically completed its work with respect to farm and factory costs of producing beet sugar.

"Field work will be undertaken at an early date on the farm and factory costs of producing raw cane sugar in Louisiana, Hawaii and Cuba.

"Although sugar produced in Puerto Rico and the Philippines does not enter into the cost comparison for purposes of Section 336, supplementary data regarding the production of sugar in these islands will be obtained because of its important relation to the industry in continental United States."

### Murray Served In Ouster Suit

City to Appeal Order Won by Kearns, Coyne

An alternative order of mandamus demanding the reinstatement of former Deputy Public Works Commissioner James J. Kearns and John H. Coyne was served upon Commissioner Edward J. Murray today by Frank Morgan, counsel for the two men, who were replaced by Democratic appointees Jan. 1.

The order is returnable in 20 days but it was reported at City Hall today that before that time expires Corporation Counsel Leonard G. McAneny will appeal from it to the Appellate Division.

The order simply provides that a trial be held on the issues raised by the men seeking reinstatement. It is the city's claim that no ground exists for such an order.

### Brooklyn Man Heads State Catholic Legion

John A. Fitzpatrick of Brooklyn was named president of the New York State Council of the Catholic Benevolent Legion at its convention yesterday at Middle Village, Queens. Other officers elected were P. Gregory Sadler of the Bronx, vice-president; J. A. Tachler of the Bronx, secretary, and the Rev. P. X. E. Albert of Manhattan, chaplain.

### Two Speeders Jailed For Day

Yonkers Drivers Default Fines in Bronx Court

Special to The Herald Statesman  
NEW YORK, July 13.—In default of \$25 fines imposed on them by Magistrate Edward J. Walsh in the Bronx Traffic Court yesterday when they pleaded guilty to speeding charges, two Yonkers residents were committed to jail for the day. They were Dudley Seward of 109 Morris Street and Albert Kyff of 10 Clover Street. Both were released at 4 P. M.

Fines of \$25 each for similar offenses were paid by William Farrell of 10 Marestone Terrace, Bronxville, James Kalo, of 480 South Broadway and Gaetano Rosano of 98 Long Avenue, both of Yonkers. Passing a red light brought George Warmuth, of 10 Bronson Road, Scarsdale, a fine of \$5.

Suspended sentences on speeding charges were issued to Richard Pizarra of 25 Cambridge Road, Scarsdale; John H. Siever of Hill Crest Avenue, Ardsley, and Lillian McNeany of 159 Ashford Avenue, Dobbs Ferry, charged with disregarding a signal light, George Bernard of 31 Murray Hill Road, Scarsdale, also drew a suspended sentence.

Hearings on speeding charges against the following motorists went over until next Tuesday: Louis Stone of 3 Louis Avenue, Hartsdale; Feliciano Gonzales of 38 Melrose Avenue and Florian Papp of 173 Devoe Avenue, both of Yonkers. A charge of driving without a chauffeur's license against Martson Bradshaw of 981 McLean Avenue, Yonkers, also was postponed until next Tuesday.

Falling to keep to the right in heavy traffic cost three Yonkers residents \$2 each. They were Allen Cokelash of 450 Riverdale Avenue, James Bannon of 148 Elm Street and Arnold Schwartz of 26 Washington Street. The three paid the fines.

### Y. M. C. A. Cadets Hunt Watermelons On Jersey Hike

Ralph Norton, Boys' Secretary of the Yonkers Y. M. C. A., yesterday led 21 cadets of the Y. M. C. A. in a hike and watermelon hunt along the Palisades, one of the events of the "home camp" program.

The following boys participated: George Pieper, Kenneth and Thomas Miller, Robert and Arthur Nelson, George Wallace, Robert Barr, Creighton Wright, Frank Hinson, Will Taylor, Norman Ashmall, Jack DeBroske, Dick Thorpe, Robert and Howard Atkins, Vincent Caselle, Charles and Walker Jordan, Richard Scott, Henry Kleinpel, and Demitry Leslie.

More than 30 Yonkers boys are enrolled at Camp Sloane, Westchester County Y. M. C. A. Summer camp.

Among the Yonkers campers are: Alfred Humphries, Bruce Colyer, Richard and John McCol, Edward Beckley, Harold Klefer, William Kiefer, William Peene, John and Warren Cunningham, Frederick and Norman Kurz, Earl Mellor, Albert and Vincent Robertom, Darwin Day, Richard Lenz, Robert Mac Kean, Richard and Robert Tompkins, George Thacker, George Reimers, Edson Ryder, Edward Randall, Kenneth and Thomas Miller, Philip Langford, William and Walter Heard, Donald Beckett, George B. Cornell, Scott Newman, Robert Saboyk and Donald Hallock.

### 49 Times Arrested Is Record Of Pair Held For Jostling

John Egan, forty-six, of 325 Amsterdam Avenue, and George Baker, thirty-five, of 329 East 149th Street, New York City, today were remanded without bail for trial next Wednesday by City Judge Nolan on a disorderly conduct charge.

Judge Nolan refused to fix bail when Parkway Patrolman John Rosko, who arrested the pair Sunday, produced records showing that Egan has been arrested 27 times since 1904 and Baker 22 times since 1915. They were nabbed at Tibbets Park Sunday when passengers on a bus leaving the park complained that the two men were jostling them.

### Welfare Bill Unpaid, Grocer Tells Board

Special to The Yonkers Statesman  
MOUNT KISCO, July 13.—Complaint from a local grocer that bills for food furnished through the Town Welfare Officer had gone unpaid for as long as 90 days plunged the Town Board of New Castle into a star chamber session.

G. R. Baker, of Dieckman and Baker of Chappaqua, told the board that bills rendered since May totaling \$70 were unpaid. The board asserted that the bills had not been received from Mrs. Alice E. Wolfson and could not be audited until she had turned them in with her approval.

"The town has the money and it is too bad that you have not been paid," Supervisor Harry Potter declared. "The same condition exists in the case of another store, however."

The majority of the board voted to retain Mrs. Wolfson, Republican appointee and wife of a former justice of the peace. The board decided, however, to endeavor to have all outstanding bills against the welfare department before it at the time of its special meeting Friday night to audit them as a preliminary step.

### Bunker Still Sees Hope For Industry Here

to reopen the Yonkers plant but I presume nothing will happen there, now before the final report is made, and that will probably take two or three months more."

Peter Jenkins, superintendent at the plant of the Spreckels Sugar Corporation, refused to comment on the decision other than to say that the situation "doesn't look so good."

Mayor Joseph F. Loehr, who had appealed to the Tariff Commission to increase the duty when he was assured this action would lead to the reopening of the National refinery, expressed keen disappointment when told of the decision today.

"I have been strongly in favor of the revision of the rates because it would help us by the reopening of the National refinery immediately and the eventual reopening of the Spreckels refinery," he said. "It would be a big relief to the city if these two plants could be opened."

"It would not only benefit the 2,000 who would be employed but would do unlimited good in the additional purchasing power it would bring to the city."

"I regret that no final ruling has been made in our favor before this time, for every day it is deferred means a loss to the city, but I hope the change will be made eventually."

### Sea Waves Foil Persian Mystic

Shri Meher Baba Unable to Break Silence

Special to The Herald Statesman  
LOS ANGELES, July 13.—Today was to be the day—but it is not. What day? Why, the day that Shri Meher Baba, the "perfect master," seer, occult and Persian mystic, was to tell the world by radio what's wrong with it.

Baba won't tell today, for the simple but adequate reason that he's courting ocean waves instead of air waves right at this moment. Baba is on the high seas, some where between China and Italy, heading for Genoa.

So the broadcast's off—until further notice.

Shri Meher Baba spent several days in Westchester last May. The sandalled, white-robed mystic was in retreat at Meherashram at Croton, prior to his departure for the coast, China, Italy and other points.

### 'Scared' Negro Jailed For Fleeing Crash

Special to The Herald Statesman  
MOUNT VERNON, July 13.—Robert Gray, twenty-eight, of New York City, Negro, was sentenced to three months in the County Penitentiary yesterday when he admitted having fled from the scene of an accident.

He was driving a truck that crashed into two automobiles and sent five persons to Mount Vernon Hospital.

Motorcycle Patrolman Joseph Gibbons was escorting a taxi carrying an insane woman, two hospital attendants and Patrolman James Kelly northward in Fifth Avenue.

The truck crashed into the taxi, careened off into a parked automobile and came to rest against a pole. The attendants, Patrolman Kelly and a woman standing on the sidewalk were injured.

Gray told City Judge Bernstein he was "so scared" he didn't know what he was doing. He added he went home in a taxi and was still "so scared" he didn't know what he was doing.

### Aid Rushed To 1,000 Marooned by Flood

By The Associated Press  
CHARLESTON, W. Va., July 13.—Relief organizations pushed into the mud covered valleys of the Paint and Armstrong creeks today to aid more than 1,000 persons left without shelter, food or pure drinking water by Monday's flood.

### LEAD FOR SCHOOL HEAD

FRANK L. BAKER

Thomas P. Kelly, principal of the Benjamin Franklin School, and Frank L. Baker, principal of School 8, are considered outstanding candidates for appointment to the principalship of the Yonkers High School. Mr. Baker was said to be favored.

The appointment is to be made by the Board of Education tomorrow night to fill the vacancy created by the retirement of Mrs. Emma Williams Peck.

There are seven applicants for the appointment and since no official caucus of the board members has been held, all may be regarded as possible appointees.

The School Eight principal was formerly head of School Three, a post from which he resigned seven years ago to enter private business. Five years later he returned to the Yonkers system to take charge of School Eight.

### City Is Offered Library Plan At Small Fee

Gette Volunteers Services for Armour Villa Park Branch Costing \$5,000

O. J. Gette, architect, today submitted to City Engineer Christ J. Sheridan preliminary plans for the construction of a new library in Armour Villa Park. The drawings were prepared voluntarily by Mr. Gette, who said that if the city would appropriate the \$5,000 needed for the construction of the small building, he would want only a "nominal fee" for his services as architect.

The Armour Villa Park Library, formerly housed in a small church building on Bronxville Road, was discontinued some months ago when the building was reclaimed by the owners. Since then the books have been stored in School Eight. Residents of the section have been urging the construction of a new library on city-owned property at Gard and Parkview Avenues.

Mayor Loehr has indicated that he will not approve any appropriation for that purpose this year.

### Chaplin Asks Recount Of Tax Valuation

By The Associated Press  
LOS ANGELES, July 13.—Charlie Chaplin fails to see anything funny in the County Tax Assessor's office announcement he is the film colony's richest man as measured in terms of taxable property.

The firm comedian has asked for a recount, claiming his taxable property, set by the Assessor at \$6,687,570, is excessive. He claims his securities now have a value of but \$1,657,316. A hearing will be held Thursday.

Bert C. Corbally, chairman of the post's veterans' relief committee, last night at a meeting of the post introduced the resolution which will be referred to the convention. The post recommends that the laws be amended to provide that the state return to the cities 40 per cent of the money they spend for relief of former service men.

Commander Albert Greah presided at the meeting in the Crescent Club on Guilford Street. Deputy Public Works Commissioner Thomas Cooney was named delegate to the convention and Mr. Corbally, alternate.

### 15 Groups To Back Mt. Vernon Chest

Special to The Herald Statesman  
MOUNT VERNON, July 13.—Executives of the 15 welfare and character-building organizations participating in the Community Chest will discuss the Fall campaign for funds at a meeting at Park Mansion, Second Avenue and Second Street, Friday noon.

Rediscussion of a number of subjects brought up at the last meeting is expected. One of these is the suggestion that more Mount Vernon men whose businesses are in the city be selected as solicitors.

Another matter which is expected to be brought up again is the suggestion that the service clubs and Men's Bible Classes be appealed to for more workers than they have provided in the past.

### Attorney Confesses Thefts, Convicts Self

By The Associated Press  
LOS ANGELES, July 13.—Surprising even the victims unaware of his confessed peccadilloes, Leo J. Murphy, an attorney, has accused and convicted himself of thefts totaling \$18,000.

He went with friends yesterday to the Grand Jury to ask and receive indictment, plead guilty and urge he be sent to prison. He was sentenced to from two to 20 years.

### Boat Owner Fined For Noisy Muffler

Special to The Herald Statesman  
NEW ROCHELLE, July 13.—City Court had a variation in traffic cases yesterday—the offender being the operator of a motorboat.

Joel W. Thorne of 244 Broadway Avenue was summoned into court and paid a \$10 fine before Judge John S. Bizek for operating an outboard motorboat which was not properly muffled.

Mr. Thorne's attorney, Frank Fallon, claimed the motor had not changed in any way since it had been purchased while William L. Moran, Assistant Corporation Counsel, claimed a hole had been cut in the muffler to gain speed.

### Peekskill Bar Seeks Revision In Courts

Special to The Herald Statesman  
PEEKSKILL, July 13.—The Peekskill Bar Association will meet tomorrow to discuss contemplated changes in the judiciary system of the Town of Cortland with an eye toward more efficient and more economical administration.

The Peekskill lawyers are already on record as favoring changes which will allow town justices of the peace to handle civil cases involving amounts up to \$1,000. At present such cases are limited to \$200, all cases above

# Here's THE MOSQUITO SPRAY that leaves NO odor!

**DOUBLE-STRENGTH FLYOSAN, the amazing insect killing spray that never smells up the house**

If you've been using one of those old-fashioned, strong-smelling fly sprays, you will surely welcome the new double-strength Flyosan!

Think of it! A spray that actually leaves no odor. A double-strength spray that kills flies, mosquitoes and other insects by the roomful... and yet never smells up your house.

You spray Flyosan generously about each closed room... just as you spray an ordinary insecticide. And then it goes to work... killing those germ-carrying flies and mosquitoes. None can escape. By the dozen they come down... dead!

And yet no odor! No sign of that kerosene-like smell... that annoys your husband... embarrasses your guests... and keeps your children from sleeping. Needless to say thousands have already given up their old-fashioned, strong-smelling sprays to try this new product. And once they try it, they are won for life. So get your can of Flyosan from your druggist today! Use it indoors. And use outside, too, to drive the insects away.

Remember! It kills the mosquitoes and flies. It does not stain. It costs no more. And it does not smell. That's why Flyosan's sales are growing so fast today!

**THROW AWAY YOUR GAS MASK! STOP USING THAT STRONG SMELLING SPRAY... USE FLYOSAN. IT LEAVES NO ODOR!**

**DOUBLE-STRENGTH Flyosan AT YOUR DRUGGIST**

**DEATH TO FLIES, TOO!**

Buzzing flies are a nuisance. You know that. But did you know that flies carry literally billions of deadly germs? So kill them quickly, as soon as they get in the house! Flyosan, being double-strength, is sure to kill every last one of them.
